

Technical drawing of a mechanical part. The part has a rectangular base with a width of 100 and a height of 100. A circular hole with a diameter of $\varnothing 8$ is located on the right side. The center of the hole is 25 units from the right edge and 25 units from the bottom edge. A dimension line indicates the distance from the right edge to the center of the hole is 25. Another dimension line indicates the distance from the bottom edge to the center of the hole is 25. The top surface of the part is irregular and jagged.
