

## DATASHEET CUBE 90 B.SMART for diesel 10 users

Order number: 11304

### DESCRIPTION

- intuitive tank data management with access control via Bluetooth
- complete package with fuel dispenser, web app access and user licences under one order number
- no ongoing monthly or annual costs
- can be upgraded without additional software or subsequent costs
- real-time transmission of fuel receipts to the cloud
- works on any platform: compatible with PC, tablet and smartphone
- works on any operating system: Windows, Linux, iOS and Android
- any number of B.SMART systems can be monitored anywhere
- free app available in the Apple App Store and Google Play Store
- data export as a PDF or XLSX directly from the web app
- multilingual user interface – automatically adapted to the language of the end device
- alternative refuelling via magnetic keys for drivers without smartphones

### TECHNICAL DATA

|                                 |                 |
|---------------------------------|-----------------|
| External dimensions (l x w x h) | 50 x 40 x 40 cm |
| Weight                          | 24 kg           |
| Pump Drive                      | pump            |
| Pump Model                      | vane pump       |
| Max. Flow Rate                  | 90 l/min (max.) |
| Operating Voltage               | 230 V           |
| Maximum Delivery Pressure       | 2,0 bar         |
| Connection Suction Side         | G 1"            |
| Connection Pressure Side        | G 1"            |
| Number user                     | 10              |
| Warranty in years               | 1               |
| Assembly condition              | pre-assembled   |
| Plug                            | without         |

### EQUIPMENT

|                          |               |
|--------------------------|---------------|
| Connection Suction Side  | G 1"          |
| Connection Pressure Side | G 1"          |
| Flow meter               | yes           |
| Dispensing Hose Length   | 4 m           |
| Dispensing Nozzle        | Automatic A60 |

### SUITABLE MEDIA

|           |
|-----------|
| Diesel    |
| Biodiesel |
| HVO       |
| XTL       |

### LOGISTICS

|                            |                   |
|----------------------------|-------------------|
| Package dimensions (lxwxh) | 60 x 80 x 65 cm   |
| Units per box              | 1                 |
| Units per pallet           | 12                |
| Pallet Dimensions          | 120 x 80 x 118 cm |
| Package Weight             | 32 kg             |
| Freight                    | Parcel service    |

### ACCESSORIES

7888 - Pedestal, black for CUBE 70 MC 50
